## NIBE S1155-12 + VPB S300

## **Product fiche**

| Supplier's name:  | NI          |               |     |
|---|-------------|---------------|-----|
| Model:  | NIBE S1155- | 12 + VPB S300 |     |
| Temperature application   | 35          | 55            | °C  |
| Declared load profile for water heating                           | ХХ          |               |     |
| Seasonal space heating energy efficiency class, average climate:  | A+++        | A+++          |     |
| Water heating energy efficiency class, average climate:           | 4           |               |     |
| Rated heat output, average climate:                               | 12          | 12            | kW  |
| Annual energy consumption for<br>space heating, average climate   | 4582        | 6213          | kWh |
| Annual electricity consumption for water heating, average climate | 21          | kWh           |     |
| Seasonal space heating energy efficiency, average climate:        | 201         | 157           | %   |
| Water heating energy efficiency, average climate:                 | 10          | %             |     |
| Sound power level LWA indoors                                     | 44          | 44            | dB  |
| Rated heat output, cold climate:                                  | 12          | 12            | kW  |
| Rated heat output, warm climate:                                  | 12          | 12            | kW  |
| Annual energy consumption for space heating, cold climate         | 5292        | 7173          | kWh |
| Annual electricity consumption for water heating, cold climate    | 2112        |               | kWh |
| Annual energy consumption for space heating, warm climate         | 2928        | 3999          | kWh |
| Annual electricity consumption for<br>water heating, warm climate | 2112        |               | kWh |
| Seasonal space heating energy efficiency, cold climate:           | 208         | 162           | %   |
| Water heating energy efficiency, cold climate:                    | 102         |               | %   |
| Seasonal space heating energy efficiency, warm climate:           | 204         | 158           | %   |
| Water heating energy efficiency,<br>warm climate:                 | 10          | %             |     |
| Sound power level LWA outdoors                                    | -           | -             | dB  |

## Data for package fiche

| Controller class   | /    |      |   |
|--|------|------|---|
| Controler contribution to efficiency   | 4    | %    |   |
| Seasonal space heating energy<br>efficiency of package, average<br>climate:        | 205  | 161  | % |
| Seasonal space heating energy<br>efficiency class for package,<br>average climate: | A+++ | A+++ | % |
| Seasonal space heating energy efficiency of package, cold climate:                 | 212  | 166  | % |
| Seasonal space heating energy efficiency of package, warm climate:                 | 208  | 162  | % |

| Model(s):  |   |             | NIBE S11  | 55-12 + VPB \$300                         |                    |              |       |
